

Apprenticeship Certificate III in Plumbing

Full Time Apprenticeship

Geraldton

About us:

ATC Work Smart in partnership with host employers across all industries and disciplines engage, inspire and develop the next generation of skilled tradesmen and women. We have been supporting trainees and apprentices for over 35 years and understand how to help you achieve success.

Why an apprenticeship?

An apprenticeship opens the door for you to become a tradesman. "Tradies" get the best of both worlds learning the theory behind their trade but spend most of their time getting real hands-on experience in the field, no sitting around in classrooms. Tradies are considered to be professionals with a high level of both practical and theoretical knowledge of their trade.

During your apprenticeship you will:

- earn a wage while you train
- learn on the job skills combined with off the job training
- receive a nationally recognised qualification on successful completion
- start a valuable step towards a rewarding career path
- have job security when you are qualified

The role:

A great opportunity is now available for an enthusiastic and committed individual seeking to enter into an Apprenticeship for Plumbing and Gas Fitting. This opportunity is open for all candidates seeking to learn and grow in all relevant areas of Plumbing and Gas Fitting.

This apprenticeship involves full time work with an employer who provides an opportunity to learn all aspects of the plumbing trade.

Key Responsibilities:

- Perform plumbing maintenance, repairs, and installations
- Conduct inspections to identify issues and propose effective solutions
- Collaborate with other trades professionals to ensure project success
- Adhere to safety protocols and maintain compliance with industry standards

About you:

To be successful in this role, you will:

- Be punctual, reliable, and hard working
- Show initiative
- Work effectively as a part of a team
- Display a willingness to learn and take direction
- Understand and abide by workplace health and safety regulations on site

Educational Requirements:

- Applicants should have successfully completed year 10
- Holding a current driver's license and having own transport
- White Card
- Must have successfully completed Cert II in Plumbing

Experience:

- Previous experience in a similar role/industry would be advantageous but is not essential

Skills:

A good level of fitness is required as the job can be physical

On offer to employees:

- Full time hours with possible over time and allowances paid
- Comprehensive work and learning experiences on and off site
- Specialised on-going mentoring from industry trained professionals

How to apply:

Please submit the following:

- A **cover letter** briefly describing why you are interested in this role
- A **current resume** outlining your education, skills, knowledge and experience, with current referees

Applications are welcome via email to positions@atcworksmart.com.au or enquiries can be made to [\(08\) 6819 5300](tel:0868195300)

All enquiries and applications will be handled in strict confidence. ATC Work Smart is an Equal Opportunity Employer and is committed to building a workplace culture that values diversity and inclusion. To be eligible for an apprenticeship or traineeship you must be an Australian Citizen or Permanent Resident
